
REPORT
ON THE
MAYO COLLEGE,
AJMER,
RAJPUTANA
For 1930-31.

No. 277²₁₁³

FROM

V. A. S. STOW, ESQR., M.A.,

PRINCIPAL, MAYO COLLEGE,

AJMER.

TO

THE SECRETARY TO THE HONOURABLE

THE AGENT TO THE GOVERNOR-GENERAL,

RAJPUTANA,

MOUNT ABU.

Dated Mayo College, Ajmer, the 7th October 1931.

SIR,

I have the honour to submit for the information of the Hon'ble the Agent to the Governor-General, Rajputana, the Annual Report on the working of the Mayo College for the year 1930-31.

2. As the report covers a period, *viz.*, from July 1930 to April 30th, 1931, during which I had no connection with the College, it is necessarily based on information supplied by others and not on personal experience of the working of the College during the year.

I have the honour to be

Sir,

Your most obedient Servant,

V. A. S. STOW,

Principal, Mayo College.

Report on the Working of the Mayo College for the year 1930-31.

1. The composition of the General Council and Managing Committee of the College remained unchanged during the year.

**GENERAL COUNCIL
AND MANAGING
COMMITTEE.**

A list of the members of the two bodies as they stood in April 1931 is given in Annexure A.

No meeting of the General Council was held during the year. The Managing Committee met once in December 1930 and the proceedings are reported in Annexure N of this report.

The new constitution of the College, resulting from the scheme for the future of Chiefs' Colleges sanctioned by the Secretary of State, officially came into force from April 1st, 1931, but as orders were not received from the Government of India till considerably after that date, no steps were possible in the year under report to introduce the new system of Control.

2. Details of income and expenditure in connection with the various funds maintained for the working of the College are given in Annexures E, F. and G.

FINANCE.

The following is a condensed statement of each :—

Income and Expenditure.

Name of Fund.	Opening balance on 1st April 1930.			Receipts during the year.			Expenditure during the year.			Closing balance on 31st March 1931.		
Mayo College Fund	1,45,231	14	3	1,64,812	13	8	1,59,842	1	8	1,50,202	10	3
Post-Diploma Course Fund ...	1,45,767	1	6	34,155	8	0	32,187	9	6	1,47,735	0	0
Play and Medical Fund and Games and Stationery Fund.	22,524	14	5	19,592	5	0	18,448	13	6	23,668	5	11

*Government War Loan 1945-55 Rs. 50,000 0 0

Government Securities 1960-70 „ 26,000 0 0

Invested in 6 % Loan of 1932-36 „ 40,000 0 0

Fixed Deposit in the Imperial Bank of India „ 1,500 0 0

In the Ajmer Treasury „ 32,702 10 3

Total ... Rs. 1,50,202 10 3

†Invested in 6 % U. P. Bonds of 1926-41 Rs. 45,900 0 0

Invested in 5 % Government War Loan 1945-55 „ 72,600 0 0

Invested in 4 % New Loan of 1934-37 „ 27,100 0 0

Fixed Deposit in the Imperial Bank of India „ 2,250 0 0

In the Alliance Bank of Simla Limited, (in liquidation) „ 1,000 0 0

Total ... Rs. 1,48,850 0 0

Less Deposit in the Ajmer Treasury „ 1,115 0 0

Total ... Rs. 1,47,735 0 0

†Government Loan of 1932	Rs.	14,000 0 0
Fixed Deposit in the Imperial Bank of India	"	400 0 0
In the Ajmer Treasury	"	9,268 5 11
Total	Rs.	23,668 5 11

It will be seen that in each fund there was a surplus of income over expenditure. Of the varying sources of income the most important that of schooling fees shows improvement, compared with the previous year.

BUDGET ESTIMATE FOR 1931-32.

The Budget Estimates of the various funds for 1931-32, are given in Annexure H. I. and J. Below is a condensed statement:—

Name of Fund.	Opening balance on 1st April 1931.	Receipts during the year.	Expendi- ture during the year.	Closing balance on 31st March 1932.	+Surplus —Deficit.
Mayo College Fund	1,47,577	1,67,750	1,56,350	1,58,977	+11,400
Post-Diploma Course Fund ...	1,61,771	28,700	35,190	1,55,281	—6,490
Play and Medical and Games and Stationery Fund ...	24,165	18,950	18,530	24,585	+420

It will be noted that, while in the Mayo College Fund a substantial surplus of income over expenditure is anticipated, in the Post-Diploma Fund receipts are at present estimated at considerably less than expenditure. The deficit is due to the fact that the Kashmir Darbar have discontinued their annual grant of 7,000.

In view of the figures given, the College Funds with the exception of the Post-Diploma Course fund appear to be in a satisfactory condition. With regard to the Mayo College Fund the estimated income for 1931-32 seems likely to materialize. The increase in income compared with recent years is chiefly due to a welcome rise in the College roll, and the admissions since the year under report, together with others shortly expected, warrant the assumption that the income from fees estimated in 1931-32 will be realized. By the new scheme for Chiefs' Colleges the Mayo College will in future for 5 years receive a fixed annual grant of Rs. 49,500 from the Government of India instead of the former total grant of Rs. 53,420 included in the estimates for 1930-31, but as, in addition, it will also receive a share of a further grant of Rs. 20,250 to be divided among the five Chiefs' College annually, its financial position is not likely materially to be affected by this change in the immediate future.

GIFTS.

3. The thanks of the College are due for the following gifts during the year :—

To H. H. the Maharajah of Jodhpur for one of the Kotah Polo cups won outright by Jodhpur, to Lt.-Col. A. C. Lyall for the silver trowel with which Sir Alfred Lyall, K.C.B., Agent to the Governor-General 1874-1878, laid the foundation Stone of the Mayo College, and to Maharaj Kumar Rajendra Singh of Rajpipla for a handsome clock for use in the College Temple.

Reference was made in the report of 1929-30 to the scholarship of £ 300 a year for further study abroad generously offered by His Highness the Maharaja of Jammu and Kashmir in the course of the Jubilee celebrations of the College. So far this is the only gift which has been made to commemorate this important landmark in the history of the College and others would be very welcome.

4. Various changes took place in the staff during the year and are shown in Annexure B. which gives the composition of the staff at the beginning and at the end of the school year. It will be seen that no less than 4 new Indian Assistant Masters were appointed and, as these had little or no previous experience, the teaching and other work of the College was considerably handicapped. It was further handicapped by the absence at different times of both English Assistant Masters. Col. Howson was away from August to February and Mr. Ritchie from the beginning of the Christmas holidays till the end of the school year. From July 1930 Captain R. N. Burkett was appointed to officiate as temporary English Assistant Master and the number of English Assistants during the greater part of the year was therefore two. The fact that this is not enough for the needs of an institution like the Mayo College has been stressed before, and I take this opportunity of again urging the need immediately to increase the English staff. The fact that, if it is to fulfil the purposes for which it was founded, the Mayo College must have a strong English staff was formerly recognized by the entertainment of an English staff of 6, a Principal, Vice-Principal and 4 Assistant, and though the number of boys on the roll has decreased since those days, I consider that an English staff of 4, viz., a Principal, Vice-Principal and 2 Assistant is required.

STAFF.

5. The number of boys on the College Roll at the end of last year was 98. During the year 11 boys left and 28 joined the College, leaving the total at the end of the year 115.

THE COLLEGE ROLL.
Total Number.

Annexure C (a) gives the names of the boys who were admitted during the year with the date of joining, the names of parents, and the States from which they came.

ADMISSIONS.

Of the 28 boys 22 came from Rajputana, and 6 from other States.

As regards age and attainments the new admissions were satisfactory.

The States of Bundi, Sirohi, Dungarpur, Jaisalmer, Jhalawar, Karauli and Shahpura were unrepresented at the end of the year.

The distribution of the College Roll at the end of the year was as follows :—

(a) Rajputana States :—

Kotah	19
Jaipur	15
Marwar	13
Mewar	13
Bharatpur	7
Ajmer	6
Tonk	6
Alwar	4
Kishengarh	3
Bikaner	2
Partabgarh	2
Banswara	1
Dholpur	1

XXX

92

(b) Central India States :—

Panna	2
Gwalior	1
Nagod	1

4

Other States :—

Mahikantha :—

Mansa	4	
Idar	3	
Malpur	1	
Mohanpur	1	
Varsoda	1	10

Rewakantha :—

Rajpipla	3	
Umata	1	4

Punjab :—

Bilaspur	1	
Delhi	1	2

United Provinces :—

Balrampur	1	1

Sindh :—

Khairpur	1	1

Madras :—

Kangundi	1	1

Grand Total 115

A comparison with the figures of last year shows that the number of boys from Rajputana increased from 80 to 92, the number from Central-India fell from 5 to 4, and the number from other States increased from 13 to 19.

WITHDRAWALS.

Annexure C (b) gives the names of the boys who were withdrawn during the year, their ages, states, and the period of their stay at the College.

9 of these belong to Rajputana and 2 to other States.

AVERAGE NUMBER
AND ATTENDANCE.

The following table gives for the last 10 years (a) the number on the College roll at the end of the year, (b) the daily average number on the roll and (c) the daily average number present :—

Year.	Number on the roll at the end of the year.	Daily average number on the roll.	Daily average number present.
1921-22	99	93-94	89-44
1922-23	125	112-01	102-58
1923-24	140	141-04	130-15
1924-25	134	136-80	125-77
1925-26	136	131-72	119-48
1926-27	126	125-20	118-64
1927-28	108	107-32	98-46
1928-29	101	98-49	89-91
1929-30	98	95-23	89-47
1930-31	115	108-90	99-96

The daily average number absent with leave was 8·94 as against 6·12 last year.

Annexure D contains a table giving the number of boys arranged according to classes with their ages and length of residence.

The average age in each class is given below:—

AVERAGE AGES.

				Years.	Months.
Post-Diploma Class, 3rd year	21	4
Post-Diploma Class, 2nd year	20	...
Post-Diploma Class, 1st year	20	3
Diploma Class	18	10
Class II	18	...
Class III	15	8
Class IV	15	6
Class V	15	2
Class VI	13	5
Class VII	10	11
Class VIII	11	4

The above figures are fairly satisfactory but the average age of classes VI and VIII was older than it should be.

6. The health of the College was well maintained.

HEALTH.

The daily average number of boys sick was 2·23 and the daily average percentage of sickness was 2·23.

During the year there were 6 cases of mumps, 1 of fracture of forearm, 1 of pneumonia, 1 of orchitis and 1 of typhoid fever.

7. The course of studies was practically unchanged and is given in Annexure K.

SCHOOL WORK.

The Diploma Examination was conducted in April 1931, under the orders of the Government of India, by the Educational Commissioner with the Government of India.

ANNUAL EXAMINATIONS DIPLOMA CLASS.

The result of the Chiefs' Colleges Diploma Examination is given in Annexure L.

The written examination lasted from 14th to 21st April 1931, while the oral and practical tests were taken by R. Littlehales, Esquire, M.A., C.I.E., Educational Commissioner with the Government of India, during the inspection of the College on 7th and 8th April 1931.

Thirteen candidates from the Mayo College appeared for the Diploma Examination, 12 of whom were successful. 1 in the First Division 6 in the Second and 5 in the third. Out of 63 candidates who appeared altogether from all the Chiefs' Colleges the Mayo College candidates were placed as follow:—1, 6, 10, 11, 20, 21, 23, 29, 30, 33, 36 and 41.

Bhanwar Gajendra Singh of Kunadl, Kotah, gained first place in the combined list of candidates from all the Chiefs' Colleges and the Prince of Wales' Royal Indian Military College, Dehra Dun, with the only First Class awarded and distinctions in English, Hindi, Arithmetic, and Science.

He accordingly won His Excellency the Viceroy's Silver Medal for the best scholar in the Diploma class.

With regard to the other Mayo College candidates the results show a respectable standard, but the percentage of boys unable to achieve more than a third class is somewhat high.

CLASS-FLAG COMPETITION.

An innovation during the year was the institution of an Inter-class competition on lines somewhat similar to those of the Set system at the Rajkumar College, Raipur. Classes were marked fortnightly for work, neatness and conduct and the winning class was awarded a Flag which it kept in their class room during the following fortnight. The innovation was designed to promote industry and healthy competition and, I understand, proved a success.

POST-DIPLOMA CLASSES.

The total number of boys in the three Post-Diploma classes was 15.

Six candidates appeared for the Post-Diploma Examination and all passed.

His Highness Raja Annand Chand of Bilaspur, Punjab, stood first among all candidates, gaining 2,177 out of 2,840 marks.

1st & 2nd Year Post- Diploma Classes and below the Diploma.

The examination of the 1st and 2nd year Post-Diploma classes and classes II and III was conducted by means of written papers while that of the lower classes was mainly oral.

In all classes out of 115 boys on the roll 104 were present at the examination.

The following is a summary of the result of, all examination :—

					Number of boys in class.	Number examined.	Number passed in all subjects.	Number failed in one or more subjects.
Post-Diploma Class	3rd year	6	6	6	...
"	"	2nd year	3	3	3	...
"	"	1st year	6	5	1	4
Diploma Class	13	13	12	1
Class II	17	16	7	9
"	III	22	20	10	10
"	IV	11	8	3	5
"	V	11	10	5	5
"	VI	8	7	5	2
"	VII	8	7	7	...
"	VIII	10	9	3	6
Total					115	104	62	42

Altogether 62 out of 104 boys examined passed in all subjects, the percentage of passes being 59.61 as against 68.9 last year.

The percentage is a high one and I am inclined to think that a stiffer standard for promotion should be maintained, otherwise boys get into a class for which they are not fit and both the educational standard of the College and the work of other boys suffer.

OUT-DOOR LIFE. Cricket.

8. Cricket matches were played by 5 Elevens as follows :—

Teams.	Matches played.	Won.	Lost.	Drawn.
1st XI ...	10	5	4	1
School XI ...	6	3	1	2
2nd XI ...	9	5	2	2
3rd XI ...	8	5	3	...
Junior XI ...	1	1
Total ...	34	19	10	5

Football matches were played by 4 Elevens as follows:—

Football.

Teams.	Matches played.	Won.	Lost.	Drawn.
1st XI	4	2	1	1
2nd XI	7	2	3	2
3rd XI	2	...	2	...
Junior XI	2	...	2	...
Total ...	15	4	8	3

Hockey matches were played by 6 Elevens as follows:—

Hockey.

Teams.	Matches played.	Won.	Lost.	Drawn.
1st XI	27	18	3	6
School XI	6	3	3	...
2nd XI	17	6	7	4
3rd XI	8	2	4	2
Junior XI	9	5	3	1
5th XI	1	1
Total ...	58	35	20	13

Tennis matches were played as follows:—

Tennis.

Matches played.	Won.	Lost.	Drawn.
31	11	16	4

Athletic activity was, I am informed, very keen during the year and interest was further stimulated by the visit of the Daly College in December.

ATHLETIC SPORTS.

This was the second occasion on which the two Colleges have met. The first was in 1910, when weather conditions at Indore did not allow of many matches being played. The 1930 contest from all accounts was a great success, and the matches were played in the best spirit of friendly rivalry. The Mayo College won the Cricket, Hockey, and Athletic sports by 3 events to 2. The Daly College were successful in Tennis by 2 games to 1. His Highness the Maharaja of Kishengarh has very kindly presented a trophy for competition between the two Colleges and it is hoped that the event will become an annual one. The next competition has been arranged to take place in Indore in December 1931.

Visit of the Daly College.

In the final of the Colvin Shield Tournament the College Eleven was beaten by Alwar by 10 wickets.

The College entered two teams for the Gibson Cup Hockey Tournament, and the 1st XI, were successful in the Final against the Government College, Ajmer, by 2 goals to 0. The 2nd XI, put up a good fight in the semi-final, only just being beaten by the Government College by 2 goals to 3.

The Athletic Sports were held in April 1931. The performances were up to the usual standard and, although no new records were set up, competition was keen.

In place of the North *versus* South House Matches, Inner Circle *versus* Outer Circle matches were played. The Inner Circle included the Jaipur, Bharatpur and Udaipur Houses, while the Ajmer, Jodhpur, Bikaner, Tonk, and Alwar Houses, and Private Boarders formed the Outer Circle. Competitions of this kind in Hockey, Football, Cricket, Tennis, etc., enlivened the hot weather.

House Trophies.

The following trophies were won by the Inner Circle:—

1. The Narsingarh Athletic Shield.
2. The Portman Cricket Cup for Seniors.
3. The Tehri Cricket Cup for Juniors.
4. The Oel Hockey Cup for Seniors.
5. The Oel Hockey Cup for Juniors.
6. The Bikaner Football Cup for Seniors.
7. The Tehri Football Cup for Junior.
8. The Victor Narayan Tug-of-War Cup for Seniors.
9. The Danta Tug-of-War Cup for Juniors.
10. The Bharatpur Cup for Physical Training.

Other Trophies.

1. The Victor Narayan Tennis Cup for Inter-House Doubles was won by the Bharatpur House (Winners K. Giri Raj Singh and K. Harbhan Singh).
2. The Open Singles Tennis Championship Cup was won by Thakur Raghunath Singh of Nindar.
3. The "Under 15" Tennis Championship Cup was won by Apji Kalyan Singh of Koela.
4. The Inter-class Hockey (Six-a-side) for Seniors was won by the Post-Diploma.
5. The Inter-class Hockey (Six-a-side) for Juniors was won by the Fifth class.
6. The Kunadi Cup for shooting was won by Thakur Kishen Singh of Nindar.
7. His Excellency the Viceroy's Medal for the best all round athlete was awarded to Maharaj Udaibhan Singh of Indergarh, Kotah.
9. The College was inspected on the 7th and 8th April, 1931, by the Educational Commissioner with the Government of India. The report is printed as Annexure M.
10. The death of the following Old Boys occurred during the year:—

Maharaj Gulab Singh of Kotra, Kotah.

Raja Bhawani Shanker Shikhardeo of Gangpur, Orissa.

Major H. H. Nawab Sidi Ibrahim Mohammad Yakut Khan of Sachin.

Inspection.

Obituary.

Among others, who though not Old Boys of the College, were closely connected with the College must be mentioned the names of :—

H. H. Maharana Sir Fateh Singh Bahadur of Udaipur, Mewar.

H. H. Nawab Sir Mohammed Ibrahim Ali Khan of Tonk.

H. H. Maharaja Sir Daulat Singh Bahadur of Idar.

Rai Sahib Lala Sangam Lal, Indian Assistant Master of the College.

Mr. W. Fanshawe.

Though at the time of his tragic death Mr Fanshawe was no longer connected with the College, he had been at the College for 19 years, from 1908 to 1927 and his death was felt as a personal loss by all who knew him. An appreciation of his services to the College has already appeared in the College Magazine and I will only add here that I hope that his memory will be perpetuated by some fitting memorial.

11. I have been asked by my predecessor, Mr. S. F. Madden, to record his appreciation of the services of the staff in general during the year, and in particular of the valuable work done by Col. Howson, Mr. Ritchie, and Captain Burkett of the English staff, and by Mr. Sathe of the Indian staff, not only in their regular duties but also in the special additional activities which they undertook.

CONCLUSION.

Of the services of Mr. Madden himself, who proceeded on long leave preparatory to retirement at the end of the school year, I am not in a position personally to speak. His devotion to the College and the services he rendered it through a connection which covered practically the whole of his career in India and lasted for 27 years, are amply witnessed by the esteem in which he was held and the affection with which he is remembered. With his retirement, passes the last of a small band of English gentlemen, who were identified with the College from the days of its comparative youth and devoted many of the best years of their lives to its service, and they have given the Mayo College ideals of character and conduct which, I trust, will be followed in the years to come.

V. A. S. STOW,
Principal, Mayo College.

ANNEXURES.

- ANNEXURE.—A.** List of the Members of the General Council and Managing Committee of the College.
- „ **B.** List of the College Staff on the 30th April, 1930 and 30th June 1931.
- „ **C.** Withdrawals—Admissions.
- „ **D.** List of boys arranged according to classes, with age, length of residence, and attendance.
- „ **E.** Statement of Income and Expenditure of the Mayo College Fund, for 1930-31.
- „ **F.** Statement of Income and Expenditure for the maintenance of Post-Diploma Classes, for 1930-31.
- „ **G.** Statement of Income and Expenditure of the Play and Medical Fund and Games and Stationery Fund, for 1930-31.
- „ **H.** Budget Estimate of the Mayo College Fund, for 1931-32.
- „ **I.** Budget Estimate of the Post-Diploma Course Fund, for 1931-32.
- „ **J.** Budget Estimate of the Play and Medical Fund and Games and Stationery Fund, for 1931-32.
- „ **K.** Schedule of work done, during 1930-31.
- „ **L.** Result of the Chiefs' Colleges Diploma Examination, 1931.
- „ **M.** Inspector's Report on the Mayo College, for 1931.
- „ **N.** Resolutions passed at the Meeting of the Managing Committee held at the Mayo College, on the 7th December 1930.
-

ANNEXURE A.

List of the Members of the General Council of the Mayo College, Ajmer, 1931.

PRESIDENT.

R. LITTLEHAILES,
*Educational Commissioner with the
Government of India.*

ANNEXURE M.

MAYO COLLEGE, AJMER.

1. *Date of visit.*—7th and 8th April 1931.

2. *Management.*—The same as last year.

3. *Finance.*—The financial position is, as a whole sound. The Revised Budget of the Mayo College for 1930-31 showed a small surplus as it opened with a balance of Rs. 1,45,232 and closed with a balance of Rs. 1,47,577. Similarly, the revised budgets of the Post-Diploma classes and of the Play, Medical, Games and Stationery Funds for the same year closed with surpluses, the former with a surplus of Rs. 15,254, and the latter with a surplus of Rs. 1,640. The budget estimate for 1931-32 of the College Fund stood at Rs. 3,15,327, opening with a balance of Rs. 1,47,577 and closing with a balance of Rs. 1,58,977, the main items of income being:—

Interest of Securities	Rs. 28,200
Fees	25,800
Government of India grant	53,420

The budget estimate of the Post-Diploma classes for 1931-32 is a deficit budget showing a loss on the year's working of Rs. 6,490. This deficit is ascribed to the withdrawal by His Highness the Maharajah of Jammu and Kashmir of his annual grant of Rs. 7,000 towards the Post-Diploma classes. The Play, Medical, Games and Stationery Funds show a small surplus of Rs. 240. The endowment and reserve funds of the College invested in securities at rates of interest varying from 3 to 6 per cent amount to Rs. 13,83,650.

In the course of the Jubilee celebration held last year His Highness the Maharaja of Jammu and Kashmir offered to found a scholarship of £ 300 a year for three years for study abroad. The details are still to be worked out and the capitalised value of the scholarship to be determined and invested in some security.

4. *College fees.*—There are levied in three difference scales. Kumars coming from Rajputana pay a minimum fee of Rs. 10 per mensem; those from Central India pay from Rs. 300 to Rs. 600 per annum according to the class in which they are reading, while other boys from Rs. 450 to Rs. 3,000 per annum according to their status and that of the State from which they come.

5. *Buildings.*—Various improvements have been effected during the year, the most important of which are:—

- (i) In order to improve the roads in the College compound "Road Spraymax" is being used to lay the dust which had been for a long time a nuisance.
- (ii) Gauze iron doors have been fitted on all the doors in the College replacing the chicks.
- (iii) Electric lights have been fitted in the main Hall and verandahs of the main building of the College. The cost of the installation was met by Sir Victor Sassoon.
- (iv) The Rifle Range has been reconstructed and is now in use.

In addition, an extension to the laboratory which will be set apart for electrical work and for demonstrations with the cinema, has been sanctioned.

These improvements, each small in itself, are such as to improve the amenities of College life to a degree much beyond their actual cost.

6. *Apparatus and Equipment.*—A few additions have been made during the year by purchase or donation. A linguaphone has been purchased; a collection of butterflies has been presented to the College by Sir Alexander Murray, a very useful addition to the study of nature; while an orrery for use in geography has been presented by Maharaj Kumar Bhim Singh of Kotah, an old student of the College.

7. *Boarding arrangements.*—I was pleased to note that the boarding arrangements in force at the Jaipur House, where a dozen of the Kumars eat together at a common mess, continues to be successful. The initial difficulties have been overcome.

8. *Organisation.*—I have no suggestion to make on the great organisation of the College, which is, on the whole, subject to the comments that I have made in previous years regarding the employment of personal Servants and Motamids, satisfactory. On account of the Post-Diploma classes being attached to the College in which there are as many as 15 Kumars reading, it contains a larger number of Kumars of advanced age than does any other Chiefs' College, so that the organisation has to be, in so far as it affects these classes, according to the University rather than the school plan.

9. *Time Table.*—The time table which is practically the same as last year is as follows:—

1st or rising bell	5-50 A.M.
2nd bell	6-20 A.M.
Morning Games	6-30 A.M. to 7 A.M.
Baths and prayers	7 to 8 A.M.
Preparation	8 to 9 A.M.
Breakfast	9 A.M.
College	10 A.M.—11-30 A.M.
Interval	50 minutes for tiffin.
College	2 P.M.—3-30 P.M.
Interval	50 minutes for tiffin.
College	2 P.M. to 3-30 P.M.
Evening Games	5-30 P.M. to 6-30 P.M.
Temple service	6-30 P.M.

It is quite satisfactory.

10. There has been a shortage during the year in both the European and Indian staff due to leave and sickness. This has naturally affected to some extent the quality of the work which has been done during the year. Colonel Howson proceeded on leave in July 1930 and, on his return in January 1931, Mr. Ritchie went on leave; in this leave arrangement Capt. Burkett was engaged from July 1930; while two of the Indian members of the regular staff have been on sick leave during the whole year.

11. *Pupils.*—The total number of Kumars reading in the College at the time of inspection was 115, of whom 15 were in the Post-Diploma classes. There were 28 admissions and 11 withdrawals during the year. The following table gives the ages and class distribution of the pupils:—

Classes.	No of Kumars.	Ages.	Extreme ages.	Average age.
Post-Diploma—				
3rd year ...	6	18, 18, 20, 23, 23, 25 ...	18-25	21.16

Diploma ...	13	17, 17, 17, 17, 18, 19, 19, 19, 19, 20, 20, 20, 22 ...	17-22	18.77
Second ...	17	14, 16, 17, 17, 18, 18, 18, 18, 18, 18, 18, 18, 19, 20, 20, 22 ...	14-22	18.05
Third ...	22	11, 12, 14, 14, 14, 14, 15, 15, 15, 15, 16, 16, 16, 16, 16, 17, 17, 17, 17, 18, 18, 19 ...	11-19	15.54
Fourth ...	11	12, 13, 14, 15, 15, 16, 16, 16, 17, 17, 18 ...	12-18	15.36
Fifth ...	11	13, 13, 14, 14, 15, 15, 15, 15, 16, 16, 17 ...	13-17	14.63
Sixth ...	8	10, 11, 12, 13, 14, 14, 15, 16 ...	10-16	13.12
Seventh ...	8	9, 10, 10, 10, 11, 11, 13, 13 ...	9-13	10.87
Eight ...	10	9, 9, 10, 10, 11, 11, 11, 12, 12, 18 ...	9-18	11.22

This table is interesting. It shows *inter alia* not only that some of the older Kumars are very backward for their age (and these generally need individual tuition), but that a few are very advanced for their age. The third class has a boy of 11 reading along side a boy of 19, while the eighth class has two boys of 9 reading alongside a boy of 18. In the Post-Diploma class the age goes up to 25.

12. *English*.—A Linguaphone has been purchased for the College which is very popular and has been found very useful. The standard of English is quite fair, but boys read much too quickly in the Diploma Class; there is consequently slurring of syllables with imperfect and indistinct enunciation; there is also not sufficient alertness and concentration on the words of the passages read. In general pronunciation was often inaccurate while mistakes do not appear to have been always corrected for the same mistake was made by more than one boy.

13. *Vernaculars*.—The following two tables are interesting, the former giving the vernaculars studied by the Kumars in College, the latter the language or dialect spoken by them in their homes. The majority speak and learn Hindi as their vernacular. They all have either English or "Hindustani" as a common language for the interchange of thought.

Languages taken by the Kumars in the College.

Classes.						Hindi.	Urdu.	Gujrati.	Telegu.	Total.
Post-Diploma—										
3rd year	*5	...	1	...	6
2nd year	3	3
1st year	*4	2	6

Second	17	17
Third	18	2	2	...	22
Fourth	10	1	11
Fifth	11	11
Sixth	6	1	1	...	8
Seventh	4	2	1	1	8
Eighth	8	2	10
Total						94	13	7	1	

* One boy in each of these classes reads Urdu also.

14. *Mathematics*.—I spent some time over the Arithmetic work in Class II and found that there was a great difference between the more intelligent boys and the others of that class. Some of them were distinctly careless in their work adding yards to feet although they had been specially warned against falling into this error. I doubt whether the intelligence of some of the boys really reaches that which is desirable in the class; though a small part of the class reached quite a high standard.

15. *Surveying*.—I looked at the practical work which was going on. Some of the students were drawing their map on a scale of 20 ft. to the inch, some on a scale of 25 feet to the inch, and others again on a scale of 50 ft. to the inch. There was no uniformity. It is sound to allow them to choose their own scale for their drawing, but they should have chosen such a scale as would enable the whole drawing sheet to be used and not merely a small corner of it, as was the case in some of the drawings. The practical work was otherwise good.

Languages spoken in the homes of the Kumars.

16. *Geography*.—The work done is quite accurate, full and detailed, but the common every-day affairs which are reported in the newspapers, for example, the inauguration of an air service between Great Britain and Australia which was reported in the newspapers at the time of my inspection might well have been treated in the class work in Geography. In my last year's inspection report, I pointed out that instruction was not sufficiently specific and related to common every-day events such for example as are found recorded in the newspapers. A beginning has been made in the Diploma class but I should like to see this form of instruction carried out further down the College so that Kumars in every class are able to relate their instruction to every-day affairs.

17. *Drawing*.—During the year simple paper modelling has been introduced in the lowest classes. It should be confined to these classes. It is not necessary to have it in the middle or higher classes. The course includes pastel drawing, black and white sketching, water colouring and free-hand drawing. The work which I saw showed some improvement over that of last year.

18. *General Knowledge*.—I wish the pupils had a more definite and accurate knowledge than they have of the League of Nations. I confess to some disappointment at being informed by one Kumar that all the nations of the world are members of the League of Nations. I also found confusion of mind in differentiating between federation and democracy. Such confusion should not be in the minds of boys of the Diploma, the highest class of a Chiefs' College, especially all this time when constitutional changes are in progress which will effect very considerably some of the youths under instruction in these Colleges. Taking it all round the Diploma class this year does not reach a very high standard.

19. *Athletics*.—At the time of my visit College Sports were held. The organisation was very good and the results very creditable. During the year and for the first time the students of the Daly College, Indore visited this College for Inter-College sports and games. They lasted for three days and were entirely successful not only from the success of the games and sports, but from the social inter-course and acquaintanceship between Kumars of Central India and those of Rajputana.

20. A class Flag has been introduced in the College. It is held by the class which is highest in point of intelligence and general merit and is retained by it for a fortnight. Its institution is assisting in developing the team spirit in each class.

21. *General*.—Although the work has suffered some what from the absence of masters on leave and from the lack of evenness that is apparent in every Chiefs' College, yet there are signs of improvement in many ways, each probably small in itself, but in the aggregate of considerable importance and sufficient to enable me to say that there is some improvement over last year. I regret that the Principal is about to sever his connection with the College.

R. LITTLEHAILES,
Educational Commissioner,
with the Government of India.

SIMLA,
The 15th May 1931. }

ANNEXURE N.

Resolutions passed at the Meeting of the Managing Committee of the Mayo College held at the Mayo College, on the 13th December 1930, at 11 a.m.

PRESENT.

E. C. Gibson, Esqr., I.C.S., Commissioner, Ajmer-Merwara, *Convenor*.

Diwan Bahadur Pt. K. L. Paonasker, M.A., C.I.E., Representative of Bundi.

Lala Ram Chander Gupta, Representative of Kishangarh.

Rao Sahib Pandit Dharam Narayan, B.A., BAR-AT-LAW, Representative of Udaipur.

Khan Bahadur D. F. Vakil, B.A., Representative of Rutlam.

Mr. S. F. Madden, C.I.E., O.B.E., Principal, Mayo College, was invited to assist in the deliberations of the Committee.

Resolution No. I.—The Committee considered and resolved to instruct the Principal to decline with thanks the offer from the Curator, Indian war memorial museum, Fort, Delhi.

Resolution No. II.—The Committee considered and resolved that a sum of Rs. 200/- be granted to the College Polo Club.

Resolution No. III.—The Committee considered and resolved that a recurring payment of Rs. 4/- per mensem, as a compassionate allowance to Havildar Tota Singh be approved.

Resolution No. IV.—The Committee considered and approved the items of extraordinary expenditure as embodied in the Revised Budget Estimate for the year 1930-31.

Resolution No. V.—The Committee considered and passed the Revised Budget Estimate of the Mayo College Fund, for the year 1930-31.

Resolution No. VI.—The Committee considered and passed the Revised Budget Estimate of the Post-Diploma Course Fund, for the year 1930-31.

Resolution No. VII.—The Committee considered and passed the Revised Budget Estimate of the Play and Medical Fund, and Games and Stationery Fund, for the year 1930-31.

Resolution No. VIII.—The Committee considered and passed the items of extraordinary expenditure as embodied in the Budget Estimate of the Mayo College Fund, for the year 1931-32.

Resolution No. IX.—The Committee considered and passed the Budget Estimate of the Mayo College Fund, for the year 1931-32.

Resolution No. X.—The Committee considered and passed the Budget Estimate of the Post-Diploma Fund, for the year 1931-32.

Resolution No. XI.—The Committee considered and passed the Budget Estimate of the Play and Medical Fund, and Games and Stationery Fund, for the year 1931-32.

Resolution No. XII.—The Committee considered and passed the payment of Rs. 101/4/- from the General Improvement Fund, for fixing lamps and wiring in the Main College Building.
